

# Desktop Computer & Auto CAD-2019 Software

## SPECIFICATIONS

S.no	Item Name	Offered Technical Specification, Installation & onsite demonstration
1	Desktop Computer	<p>Desktop required for Auto CAD-2019 and student learning purpose .</p> <p><b>Technical specifications of Desktop</b>                      Desktop Computer should have the following key features:</p> <p>Desktop PC having latest configuration with the following features: CPU: 64Bit Core i7 Processor , Speed: 3 GHz or Higher. Cache Memory:- Minimum 3MB or better.RAM:- 16GB or Higher.HardDiskDrive:1TB or Higher, 7200 rpm (minimum) or Higher, USB Mouse, USB Keyboard and Monitor (Min.18.5 Inch), Standard Ports and connectors. DVD read &amp; Write , Speakers And Mic. Licensed Windows 10 Original Licensed Key Operating System, Resolution 1920x 1080 (Full HD),Display card 4GB GPU with 106GB/S Bandwidth and DirectX11 Compliant.</p> <p><b>1. Processor:</b>                      The Processor having Intel Make i7 , 10<sup>th</sup> generation , 3 GHZ min frequency</p> <p><b>2. Graphics:</b>                      It has Integrated Graphics card 4GB GPU with 106GB/S Bandwidth and DirectX11 Compliant..</p> <p><b>3. Operating System:</b>                      All in one PC having windows 10 (Original) Operating System with valid License Key, Valid OS certification, Installation DVD/Recovery DVD which will be kept for recovery purpose.</p> <p><b>4. Memory:</b>                      The RAM size should have 16 GB DDR4 with expandable slot.</p> <p><b>5. Stroge:</b>                      Capacity of HDD is 1TB @ 7200 rpm.</p> <p><b>6. Display:</b>                      The Size of the Monitor is 18.5 inch , Non touchable Monitor having resolution 1920*1080P.</p> <p><b>7. Connectivity:</b>                      WIFI connectivity, Bluetooth connectivity, Ethernet Port 10/100/1000 on board integrated RJ-45 Port.</p> <p><b>8. PORT:</b>                      USB port 2.0 &amp; 3.0 , VGA Port, HDMI Port.</p> <p><b>9. Optical Drive:</b>                      Desktop PC having DVD RW , Audio In, Audio Out, Head phone Out, Microphone In .</p> <p><b>10. Input Device:</b>                      The Desktop having Standard wired Key board and mouse.</p> <p><b>11. Warenty:</b>                      The Desktop having minimum 3 Years warranty or higher.</p>

S.no	Item Name	onsite Installation & demonstration for 24 Users Purpose.
